Context of Care Overview

We would like to take this moment to welcome you to our practice. We look forward to our role in providing you with a long-term comprehensive health solution. Below are a few questions that would assist us in understanding how we can best support your health goals.

1) How did you discover our clinic and how did you decide to see us now?

2) What is your present level of commitment to address any underlying causes of your signs and symptoms that relate to your lifestyle? (Rate from 0 to 10, with 10 being 100% committed)

   0% 0 1 2 3 4 5 6 7 8 9 10 100%

   If you answered less than "10", what stands between your current commitment and 100%?

3) What behaviors or lifestyle habits do you engage in regularly that you believe support your health?

4) What behaviors do you currently engage in regularly that you believe are self-destructive?

5) What are your top three expectations of us?

   1. 2. 3.
